

# COVID-19 POLICIES

The following policies have been developed through Skate Ontario, York Region Health and the Town of Georgina and are current as of September 10th. These policies may change at any time.

- All parents/guardians must sign the online COVID-19 Assumption of Risk waiver upon registration.
- **ONE parent/guardian is allowed to enter the building with their skater IF THEY ARE UNDER THE AGE OF 10.**
- Parents must sit rinkside in an assigned zone, wearing a mask and stay physically distanced.
- Skaters must arrive 15 minutes before EVERY session **fully dressed (including skates for CanSkate and CanHockey)** and line up outside for screening and sign-in. Cell phone numbers of parents/guardians will be recorded each session in the event of emergency.
- Masks must be worn upon arrival by skaters and parents.. Skaters may remove their mask right before taking the ice.
- Arena staff and GSC volunteers will escort skaters to and from the ice surface.
- Skaters are not permitted to go on and off the ice and should bring everything they need (water, gloves, etc.).
- Physical distancing must be practiced on the ice at all times.
- Members who do not follow these policies will be unable to continue with the current program and/or future sessions.

The Georgina Skating Club is committed to a safe return to skating. Thank-you for explaining all of the above policies to your skater and for answering their questions prior to arrival to ensure they feel comfortable and prepared.
