IMPORTANT: NO SKATING:

- October 11th :Thanksgiving

Skate Sharpening pick up by Chad on Oct. 16th. Please have your skates at the rink for pick up. Place \$20 in your skate.

Welcome

It is so great to be back on the ice and to have everyone able to come into the building. Special welcome to all our new members. It is awesome to see so many new little skaters join us. Thank you for coming to the rink prepared with screening and passports. Remember you can do your screening at home before arriving to the rink. This makes the entrance to the building run much smoother.

Welcome Coaches

We welcome all our coaches back after much time away from the rink and are very excited to have 4 new coaches join our coaching team. **Olivia Jaynes** and **Daniella Bell** and **Piper Hagerman** will be coaching our Learn to Skate programs and **Lyndsay Burrows** will be coaching on both our Learn to Skate programs and our Starskate programs.

A big shout out to our Program Assistants

The time that you give to our Learn to Skate programs is greatly appreciated. We could not do it without you.

Sutton Programs

Programs in Sutton on Tuesdays will start on Oct. 12th, registration will open Oct. 1st. We will be offering both Intro to Skate and Canskate sessions. If any StarSkaters are looking for extra ice, there will be an open session at 4:30.

Proof of Immunization

Effective 12:01 am on Friday Oct 1st, the **York Region Medical Officer of Health** has announced that facility operators:

- Require each person, **age 12 years and older**, at the point of entry, who attends the indoor area of the facility for the purpose of (a) actively participating in organized sports, (b) coaching, officiating at organized sports or volunteering or (c) spectating at organized sports to provide identification and proof of being **fully vaccinated** against COVID-19 or a valid medical exemption
- Comply with all other requirements under the [Reopening Ontario Act](#) and its regulations that apply to the facility

Schedule Changes

There will be no skating on Monday October 11th for Thanksgiving Day.

North Country (McGregor's) fundraiser

Fall Fundraiser

We will be running a North Country Meat & Seafood fundraiser. This is a great opportunity to help raise some funds for the club AND earn credit towards your winter registration fees. 50% of the profits you make will be credited to your Uplifter account for future programs.

Please see the email sent by the registrar on Sept 26th for the product list and the two order forms. You can also contact Nicki Cummings at srvfan559@yahoo.com for this info.

All orders and money must be received no later than Thursday, October 14th at 9pm. We will not be able to accept late orders. Our delivery date will be Friday, October 22nd at 6:30pm. We will be organizing a contactless pick-up system and will have more information on exact pick-up times once we have all the orders in.

Clubwear

The air is getting cooler and Christmas is just around the corner. Check out our Clubwear online store. We have some of the most comfortable face masks out there. There are also fleece blankets that can be embroidered with your skater's name which are nice to have in the bleachers. Lots and lots of clothing options, jackets, coats, hoodies, t-shirts and more. A link to the Clubwear store has been added to the Georgina Skating club website in the black banner under the club logo.

Board Position

If you are interested in being a part of our amazing club, we are currently looking for someone to join our board as Treasurer. If you are interested; please email Info@georginaskatingclub.org.

Synchronized Skating

There are still spots available on both teams. If you are interested in joining; please see Colline.

Thank You, Thank You, Thank You!

Thank you is not enough to give to our board members that have worked so hard to get this season up and running safely. As we know there have been many changes sometimes happening daily. Our board members have gone above and beyond. Thank you for everything you do!

A special thanks to **Stacia Snow**. Stacia has spent many hours registering every skater, making screening lists, and sitting at the rink making sure every family has a good understanding of the protocols and safe entry into building.

We would also like to thank our Arena Staff for also helping in any way they can to make the first couple of weeks run smoothly.
