Winter Registration & Upcoming Events

Winter registration will open in early December. Please watch social media for exact dates. Do not miss out many of our programs have waiting lists. Watch our social media accounts for information about holiday fun activities and events for skaters.

COVID-19 Protocols and Vaccination Requirements

As of November 1st, everyone over the age of 12 must show a vaccine passport to enter the arena. Everyone in the arena is required to wear a mask at all times, with the exception of skaters on the ice. Please also remember to complete the COVID screening every day your child skates.

Gold Skills

Congratulations to Sydney Lefebvre for passing her Gold Skills.

Thank you

Thank you to our program assistants, we would not be the same without you. A huge thank you to Lori-Ann Johnston and her family for doing the Halloween treat bags.

Fundraising

We had another successful fundraiser with MacGregors meats and seafood. 180 boxes were sold, earning a profit of \$1883.00. That is \$941.50 for the club and the other 50% back to the skaters' accounts. Well done everyone!

Clubwear

The clubwear online store is open and new items have been added. Lots of items that would make a great Christmas gift for your skater and their fans. You can check out the store by going to <https://nrgactiveapparel.com/georgina-skating-club> or click the handy clubwear link on the Georgina Skating Club website.

Volunteers Needed

We are hosting 2 competitions early in the new year. These competitions serve as our biggest fundraiser and require a lot of volunteer hours to be successful. Keep an eye out for more information on how you can help. Volunteer time is welcome from all families but required from StarSkate families.

Inclement Weather

In the event of cancellation of ice due to inclement weather, cancellations will be made by 2pm. The cancellation will be posted on Facebook, Instagram, Twitter and our answering machine.
