August 13, 2024

Purpose

Georgina Skating Club is committed to providing and exemplifying an equitable, diverse, inclusive, safe and barrier-free environment where every stakeholder feels valued, respected, accepted and supported.

Application

This Policy applies to all Participants within the **Georgina Skating Club** community. It should also be read in conjunction with the Skate Canada National Safe Sport Program(<https://skatecanada.ca/portfolio-item/safe-sport/>), the **Georgina Skating Club** Accessibility Policy and the **Georgina Skating Club** Code of Conduct.

Definitions

Equity:

Means recognizing that there are barriers to employment, participation, access and inclusion in the workplace and the skating community. The principle of equity acknowledges that systemic barriers exist and action is needed to address historical imbalances, and that addressing systems of disadvantage and exclusions must be rooted in treating individuals fairly, not necessarily equally or the same.

Diversity:

Means recognizing that our workplace and skating community are made up of persons who are all unique and bring varied experiences, differences, similarities/dimensions, visible and invisible qualities, perspectives and approaches to the workplace and skating community together with having an array of identities, characteristics, and backgrounds that are representative of our current and evolving population, and that as an organization we support meaningful participation at all levels of diverse peoples as we recognize that this shapes who we are, how we think, who we engage with and how we are perceived. Examples include, but are not limited to, gender, race/ethnicity, Indigenous identities, age, culture, religion, beliefs, language, geography, nationality, differing physical or mental abilities, sexual orientation, personality, style, perspectives, etc.

Inclusion:

Means intentionally creating a sense of belonging and a culture based on fairness and equity where all individuals are recognized, accepted, respected, supported and valued for their uniqueness and differences; it is how equity and diversity are put into action for the benefit of the collective; and collectively promoting an environment where individuals can be their full selves.

Under-Represented Groups:

Means people who are not represented in the majority in Ontario with respect to national origin, culture, religion, beliefs, language, sexual orientation, people who are seniors, people with different physical and mental abilities, newcomers to Canada, members of the BIPOC (Black, Indigenous, and people of color) community, and members of the 2SLGBTQIA+ (Two-Spirit, Lesbian, Gay, Bisexual, Transgender, Queer or Questioning, Intersex, Asexual, and additional sexual orientations and gender identities) community.
