

Mandatory Hours Policy

August 13, 2024

Purpose

This Mandatory Hours Policy ensures that all members of Georgina Skating Club understand and accept the conditions of the StarSkate mandatory hours required at our annual KIS competition and bi-annual ice show.

Application

This policy applies to all StarSkate parents/guardians of the Georgina Skating Club.

Policy Development and Approval

Georgina Skating Club's Board of Directors are responsible for developing and implementing policies. The purpose of a policy is to establish clear guidelines and principles to direct and regulate actions, decisions, and behaviours.

Review and Approval: The Board of Directors reviews and approves the required hours and opt-out fees on a yearly basis.

Implementation and Communication

The Mandatory Hours Policy is presented to all StarSkate parents/guardians for acceptance via digital signature on their first invoice of the season. It is also posted on the website and explained at in-person information sessions each September.
